Student Workbook

- Assesses student knowledge of the national Common Core State Standards (CCSS) for Reading and Mathematics with two full-length Assessments for each subject
- Questions provide students with the necessary level of rigor and mastery needed to achieve academic success with the CCSS
- Chapters on test-taking strategies and test anxiety build students' confidence and test-taking skills
- Glossaries familiarize students with vocabulary terms and concepts found on state proficiency tests

Parent/Teacher Edition

- Correlates with the Student Workbook
- Reviews the Common Core State Standards (CCSS) for Reading and Mathematics
- Provides correct answers and sample responses for the Assessments
- Correlation charts and skills charts help educators track students' strengths and weaknesses with the CCSS

Show What You Know® on the Common Core for Grade 3 Mathematics Assessment One 

3. Division is the same as taking away equal groups.
The picture shows the number sentence $12 \div 3 = 4$. When you have 12 stars, you can take away 4 equal groups of 3 stars.

Draw a picture to show $15 \div 5 = 3$.

4. Cheryl had 30 dimes. She divided them into piles with 5 dimes in each pile.

How many piles were there?

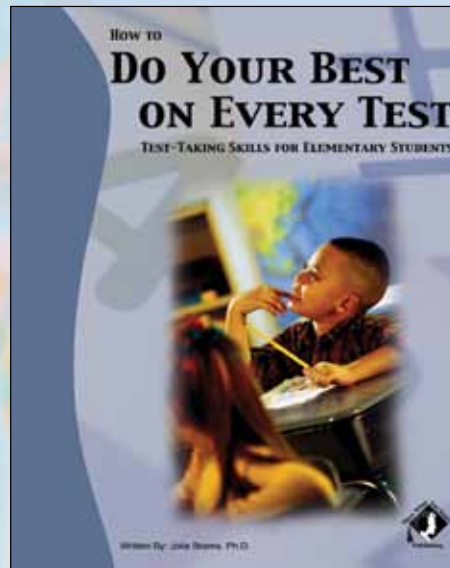

A. 5 piles
B. 6 piles
C. 10 piles

Test-Taking Tools

Grades 3–6

How to Do Your Best on Every Test

Simple test-taking strategies can make as big an impact on test success as knowing the subject matter. This book is full of activities designed to help students perform their best on tests.

Over 50 activities include:

- Helping students understand how they feel about the test;
- Showing students how to get rid of test stress;
- Illustrating how to make the most of study time;
- Telling students what they should do when preparing for tests; and
- Offering specific strategies for Writing, Reading, and Mathematics tests.

Show What You Know® on Every Test!

Based on the best-selling Student Workbook *How to Do Your Best on Every Test* by Dr. Jolie Brams, this CD-ROM offers engaging Flash animated lessons that reinforce the test-taking skills and strategies students' practice in the Student Workbook. Watch two 20–30 minute movie sessions on a personal computer or an interactive whiteboard. Students watch, listen, and learn how to:

- Worry less about tests,
- Turn bad thoughts into good thoughts,
- Do their best every day,
- Use common sense,
- Do their best on all types of questions, and
- Use their new test-taking tools.
